

GVCA Guildwood Village 2010 Calendars

The 2010 versions of the photo calendars featuring images taken in Guildwood Village during the past 12 months are now available. Small versions of their covers are reproduced above. They are available at the following locations:

- ★ Parkway Travel & Cruise on the Guildwood Plaza where Chris Musselman, Jennifer Pitts and Sharon McDonald will be pleased to look after you:
- ★ The Village Tea Room, located at the western end of Cliffcrest Plaza (Kingston and McCowan Roads. McCowan becomes Cathedral Bluffs Drive on the south side of Kingston Road). There, Kathy Moloney will take care of your needs; and
- ★ New this year, Guildwood Physiotherapy located in the Dearham-Poplar Plaza on Dearham Wood, beside Poplar Road School.

There were 15 gardens entered in the Day in the Gardens of Guildwood event in July and photos taken in all of them are featured in the "Gardens" calendar. Some interesting pictures in the "Village" calendar will help to enliven even the dreariest months of winter.

Each year the calendars have attracted more interest as unique gifts for friends and families who have lived in or visited Guildwood.

A limited number of each of the calendars is printed - to ensure the supply is not greater than demand. If there is greater demand additional supplies will be printed if there is sufficient time to do so - it takes several days - so don't leave it too late to secure your copies. Even in these belt-tightening times they are a bargain; they are unique and not available anywhere else.
