**SURVEY OF THE GUILDWOOD COMMUNITY**  
**RE: GUILD INN REDEVELOPMENT – DEADLINE FOR RESPONSE IS SEPTEMBER 17, 2007**

Dear Resident,

As you know, the Guild Inn redevelopment project has, once again, reached an impasse. The GVCA is aware that there is currently significant frustration in the community concerning this, and is therefore prepared to take a very proactive approach in addressing this problem. To that end, the GVCA will be developing a firm position, built on feedback from the Guildwood community, that it will take up with Councillor Ainslie and the Culture Division concerning plans for the Guild Inn.

**This survey is an important step in this process. Your assistance is greatly appreciated. Please fill out this survey and mail it to: the GVCA address listed above or drop it off at the Guildwood Plaza Library before the deadline.**
